Flexible Work Space to make your greatest impact

Whether you are a start-up or an established business, we can be flexible enough to meet your needs. Business essentials and full support, all on one premises.

Fully Furnished Office Spaces

Always stay connected with our enterprise grade secure Wi-Fi or hard-wired Ethernet, meet in comfort in one of our meeting rooms with first class conferencing facilities, or relax in our breakout areas and enjoy a tea or a coffee on us.

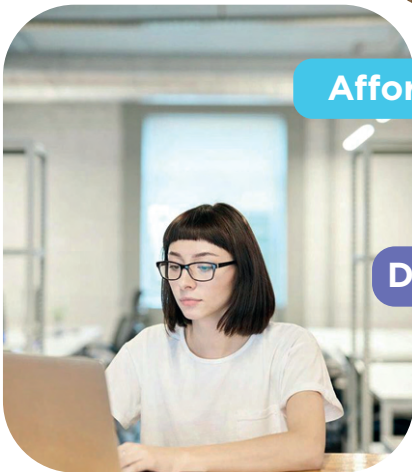

Affordable Office Space

Don't worry about increases in energy costs, utilities, business rates, maintenance, cleaning or committing to long business contracts. Here at FlexiWork Office, let us take care of that for you.

Dedicated office from £125 per month

Fully Serviced Office

Bring your devices, grab a coffee on us and simply get to work.
